### Mission Statement

Inspired by the vision of the Cleary Women, Cleary School for the Deaf, established in 1930, offers a uniquely designed educational setting which facilitates the holistic development of children who are deaf. Cleary provides a variety of services and curricula conducive to learning and growth within a safe and secure environment. Our staff strives to maintain high standards of excellence as we serve children who are deaf, their families, the deaf community and the community at large. Meeting the needs of this special population is the foundation upon which we build our school projections. In accepting the challenge inherent in this statement, we dedicate our every effort to enabling each student to achieve his or her potential as a responsible and contributing member of society.
