Photo Refusal Form

2023/24 - Summer 2024

At times throughout the school year, Cleary School may take photographs or video of students. These are used solely for celebrating our school and its students. Photos/videos may appear on our school's website, on social media and/or in school publications.

If you do not wish to allow your child to be included in any school photos or videos as described above, this form must be signed and returned to school. The form should only be returned if you do not wish to allow your child to appear in photos/videos.

If the form is not signed and returned indicating your non-consent, your child may be included in photos and videos as noted for the 23/24 school year and Summer of 2024. Thank you.
